

Snow Plowing/Sanding Agreement and Release of Liability

2015/2016 Season

By signing this agreement , I request that the Town of Coon (together with its employees, agents or contractors referred to as the `Township`) perform drive way widening and sanding services (the "Services"), as described by the definition of provided services approved by the Town Board, on my property, at the address set forth below.

I agree, personally on my own behalf, and on behalf of any other person whose property is damaged while on my property, to release and waive any claims or causes of action for property damage caused by the Township while providing the services. I further agree to hold harmless and indemnify and hold the Township harmless against any and all claims resulting from such Services, including, without limitation, claims of property damage to my property or the property of any other person which is damaged while such property is located on my property.

The Township offers the Services to all property owners, with passable driveway, but no property owner is required to use the Township Services. Property owners who have specific needs or requirements with respect to snow removal or sanding (e.g., timing of snow removal) may desire to have such services provided by persons or entities other than the Township.

This Agreement along with the \$50 fee, must be received by the Town Clerk by October 31st. This Agreement covers the Services provided for the 2015/2016 winter season.

Driveways must be marked or they will not be plowed_____ (initial)

I have read the above and the attached
